PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

The 2000-2001 school year has been an exciting one at Reidville. Mr. John Sheppard became principal leading students and staff through a year of new opportunities and accomplishments. Our theme for the year, "Pieces of the Past Frame Our Future" guided us to National Blue Ribbon status as we excelled in student and staff achievements. The media center continued to be the hub of the school with circulation increasing from 26,381 to 35,998. Our students enthusiastically embraced our Reading Renaissance/Accelerated Reader program by earning 9,957 points, an increase of 4,413 points. Our third and fourth grade students scored from 18%-34% above the state average on the Palmetto Achievement Challenge Test. Our Cognitive Skills Assessment Battery scores continue to increase in percent of students ready for first grade. Six of our teachers were honored to present at the South Carolina Exemplary Writing Improvement Conference in Columbia and our curriculum facilitator presented at the SC Educational Technology Conference. We continued our association with the University of South Carolina Spartanburg as a professional development school. Additional activities were added to serve our students. These included Rocket-ventures, a club enrichment time for third and fourth grade students and Adventures Club, an after school program for students. Reidville hosted Family Nights for students and their parents with Technology Night, Science Night, and Math Night. Three of our teachers received Learn and Serve America mini-grants to assist in the development of the SCALE, the district outdoor learning center. Students Taking Action and Responsibility (STAR Students) were honored each week by Mr. Sheppard with a certificate. The Reidville Rocket Oath became a daily recitation by all students through either our morning TV show or our radio show. Students purchased t-shirts which saved 50 acres of a Costa Rican rainforest in conjunction with our Earth Day celebration. Our school web site, newsletter, and Blue Ribbon video received the NSPRA state award for public relations. DHEC donated fifty used computers to families at Reidville. Recipients attended a two hour computer training class. Harriette Mackey was honored as Teacher of the Year, Rhonda Lindsey as Employee of the Year, and Misty Edge as Volunteer of the Year. We look forward to an exciting year in 2001-2002 when our theme will be Reidville Elementary, A Habitat For Learning.
